## Skull jewelry punisher rings

The Punisher Skull Ring No... we do not mass produce our skull rings in a dimly lit factory with underpaid workers. Even though our prices are incredibly low, we believe in creating quality jewelry that will survive you, your offspring and even your great great badasses for generations to come. This detailed piece of 316L stainless steel surgical has been forged to life by hands that can air guitar with precision no less than 10 Metallica riffs. It's not just the highest quality stainless steel in the jewelry industry, it's the same material used in architectural structures, marine environments, and even for plates and rods inside the body. It won't fade at all... Rust... Corrode... change color... or leave stains on your fingers. In addition, it requires no maintenance to maintain its raw fresh-out-the-box machismo. You love... she loves... get one for each of you. Dimensions: 07-16 Metal: 316L Stainless Steel Call us at 1-866-457-5855 data-bread-mie-07;08;09;10;11;12;13;14;15;16;7;8;9.
